Sub: Submission of Binding Offer for potential acquisition of part of the EPC business of Gammon Engineers and Contractors Private Limited

Ref: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dear Sir/Madam,

In continuation to our earlier communication dated August 13, 2025 regarding "Outcome of Board Meeting of the Company held on August 13, 2025", we are pleased to inform you that the M/s. Hazoor Multi Projects Limited (the "**Company/HMPL**") has formally submitted the binding offer (the "**Offer**") to the lenders of Gammon Engineers and Contractors Private Limited ("**GECPL**") for the potential acquisition of part of the Engineering, Procurement, and Construction ("**EPC**") business of GECPL, subject to all necessary approvals, completion of procedural formalities and acceptance of the Offer by the lenders.

GECPL has a proven track record in civil engineering and infrastructure development, executing projects across various sectors such as transportation, power, and urban infrastructure. It is currently engaged in EPC works for projects spanning roads, railways, metros, power, irrigation, ports, and marine sectors.

The lenders of GECPL are currently exploring restructuring options under the Reserve Bank of India's Prudential Framework for Resolution of Stressed Assets, dated June 7, 2019 (the "Stressed Asset Directions").

This proposed acquisition aligns with HMPL's strategy to strengthen its position in the EPC space, wherein it has a proven track record of execution. HMPL views this opportunity as a strategic fit to expand its EPC portfolio and enhance its presence in the infrastructure sector.

We will keep the Stock Exchange informed of further developments in this regard.

We request you to take the above on record and treat the same as compliance under the applicable provisions of the LODR Regulation.

Thanking you,
For Hazoor Multi Projects Limited
